CAUSE NO: 19-1435

AN AUTHENTICATED FOREIGN DOCUMENT

HAGUE CONVENTION, 5 OCTOBER 1961

AFFIDAVIT PUBLIC NOTICE, HONORABLE CLARIFICATIONS

**Praecipe Order to Clerk of Court  
Regarding Status of Defendant**

**Clerk of Court:**

May it please the court, the following is provided to  
clarify the party's status and legal relations in this

proceeding and not to disparage or denigrate any party there unto pertaining.

**Praecipe defined:** a writ demanding action or an explanation of nonaction. The HDC/SPC, in her Sovereign capacity is giving this instruction. See Perry v. United States, 294 U.S. 330 (1935), "sovereignty resides in the people..."

**Please ensure that the status of defendant/RPII is noted as operating in Propria Persona and not Pro Se status on the following grounds.**

Real Party in Interest (**RPII**) is an adult and is not a minor, or in need of representation by an attorney.

Pursuant to Title **31 CFR §363.6**, "minor" and "minor account," is defined as

**Minor** means an individual under the age of 18 years. The term minor is also used to refer to an individual who has attained the age of 18 years but has not yet taken control of the securities contained in his or her minor account.

**Minor account** means an account that a custodian controls on behalf of a minor, that is linked to the custodian's primary account. (See §§ 363.10 and 363.27 for more information about minor accounts.)

Therein, HDC/SPC is an adult, Estate Principal Owner, and is not a "minor" in this legal relation, nor is she operating in "Agency" in relation to the estate, see UCC1 number **20222032048**, Filed with **State of Colorado**, Secretary of State, Fed. Rules Evid. 201(b),(c)(2), and (d) applies.

### LEGAL RELATION

Pursuant to **Title 31 CFR § 103.121** Customer Identification Programs for banks, savings associations, credit unions, and certain non-Federally regulated banks, this legal relation is governed under banking rules.

Therein, (a) Definitions. For purposes of this section:

(1)(i) Account means a formal banking relationship established to provide or engage in services, dealings, or other financial transactions including a deposit account, a transaction or asset account, a credit account, or other extension of credit. Account also includes a relationship established to provide a safety deposit box or other safekeeping services, or cash management, custodian, and trust services.

(ii) Account does not include:

(3)(i) Customer means:

(A) A person that opens a new account; and

(B) An individual who opens a new account for:

(1) An individual who lacks legal capacity, such as a minor; or

(2) An entity that is not a legal person, such as a civic club.

(ii) Customer does not include:

(A) A financial institution regulated by a Federal functional regulator or a bank regulated by a state bank regulator;

(B) A person described in § 103.22(d)(2)(ii) through (iv); or

(C) A person that has an existing account with the bank, provided that the bank has a reasonable belief that it knows the true identity of the person.

It would appear that UCC Article 8, sections 106 and 107 (i.e. **UCC 8-106 and 8-107**) would apply in this legal relation as RPII, HDC, SPC, Principal Owner is appearing in proper capacity, i.e. in Propria Persona.

Also, it would appear that UCC 2a-105 would apply herein.

**UCC 2A-105. TERRITORIAL APPLICATION OF ARTICLE TO GOODS COVERED BY CERTIFICATE OF TITLE.**

Subject to the provisions of Sections 2A-304(3) and 2A-305(3), with respect to goods covered by a certificate of title issued under a statute of this State or of another jurisdiction, compliance and the effect of compliance or noncompliance with a certificate of title statute are governed by the law (including the conflict of laws rules) of the jurisdiction issuing the certificate until the earlier of (a) surrender of the certificate, or (b) four months after the goods are removed from that jurisdiction and thereafter until a new certificate of title is issued by another jurisdiction.

The following definitions apply to this proceeding. Taken from THELAW.COM LAW DICTIONARY & BLACK'S LAW DICTIONARY 2ND ED.

W. 969. The term is also applied, in England, to the private office of a barrister. In international law. Sittings in bono after term were held by authority of the St. 1 & 2 Vict. c. 32. The courts were at liberty to transact business at their sittings as in term-time, but the custom was to dispose only of cases standing for argument or judgment. Wharton. Sittings in bank or bane. ## **COURTS DEFINED**

The courts have Pacific Industrial Codes (PIC), Standard Industrial Codes (SIC), North American Industry Classification System (NAICS), Defense Logistics Information Service (DLIS) under the Department of Defense (DOD), the Data Universal

Numbering System (DUNS) and the Commercial and Government Entity Code (CAGE)(essentially the court's bank account number), and the lack of an oath of office by many "Judges" and "Clerks of Court" all demonstrate that said legal system is operating as a commercial court system FOR PROFIT and not a constitutionally based court system that is fair and equitable.

The North American Industry Classification System or NAICS is used by business and government to classify business establishments according to type of economic activity (process of production) in Canada, Mexico, and the United States of America.

The Commercial and Government Entity Code, or CAGE Code, is a unique identifier assigned to suppliers to various government or defense agencies, as well as to government agencies themselves and also various organizations. CAGE codes provide a standardized method of identifying a given facility at a specific location.

A Data Universal Numbering System (DUNS) number is a nine-digit code established by Dun & Bradstreet which has become a standard business identifier throughout the world. DUNS numbers are often required in order to perform government contracts for many federal agencies.

The move from using DUNS numbers as the Unique Entity ID (UEI) to the new, SAM-issued UEI is a federal government-wide

initiative. The process started more than four years ago and is set to conclude on April 4th, 2022.

The Court Registry Interest System (CRIS) is an **interest-bearing cash management tool** administered by the Administrative Office of the U.S. Courts that provides Clerks with an easy, efficient, and safe way to comply with federal requirements concerning the handling of Court Registry Funds.

It is said that a "court", in its most basic sense, is a place where a contract is made. Therefore, without a proper constitutional oath of office, it shall be deemed and construed by default (until contrary evidence appears in this court record), that Judge operates via private contract and is assuming to have jurisdiction over this matter.

The Parties set the terms and conditions on the contract with the court to mediate the alleged controversy.

Therein, in conclusion, a court is a "Privately Owned Trading Company" operating as a bank to settle controversies, causes of action, and orders distribution of proceeds for settlement.

Respectfully submitted,
